COPENHAGEN High Summer / Pre Autumn 2025

Free Spirit

Lollys Laundry 25.2 Collection is all about balancing casual elegance with a touch of sophistication. Featuring delicate embroidered details and effortless cool strap dresses, the collection captures the essence of warm summer days. Flowing maxi skirts in soft, airy fabrics and an eclectic blend of patchwork and unique prints create that signature Lollys bohemian look.

Denim makes a bold return with relaxed playsuits, tops and dresses, while romantic lace and bold stripes in all colors and sizes add a playful twist. Prints are carefully curated, showcasing intricate placement- and border prints that add both edge and refinement.

The color palette reflects the depth of summer, from all shades of blues, purples and vintage roses to crisp whites that evoke sun-kissed simplicity. Inspired by a blend of cowboy romance and California's effortless cool lifestyle, this collection is a fusion of timeless bohemian styles with a modern, free-spirited vibe.

With Lollys 25.2 Laundry Collection, you get the best of both worlds – casual elegance and a dreamy, effortless style that celebrates both timeless classics and modern freedom. Whether you're drawn to the playful or the timeless, you'll find something perfect for every summer day in this beautiful collection.
